PRODUCTION MANAGEMENT EXPERIENCE

Co-op for Digital Leisure

Coordinated 30 fellow students through pre- and production processes for 20+ minutes of animation - tracking individual's hours, all aspects of production, and setting up and maintaining online forum - while carrying full workload of an animator as well.

PRODUCTION MANAGEMENT EXPERIENCE

Third Year Group Film for Sheridan College

Supervised all design stages of preproduction to achieve various milestones as outlined in the curriculum. Informal leadership position continued into later stages of production and resulted in a highly functional group dynamic with centralized areas of focus for individuals.

Promotion of the completed project has seen Higher Education screened at more than a half dozen film festivals and over a dozen respective screenings.
